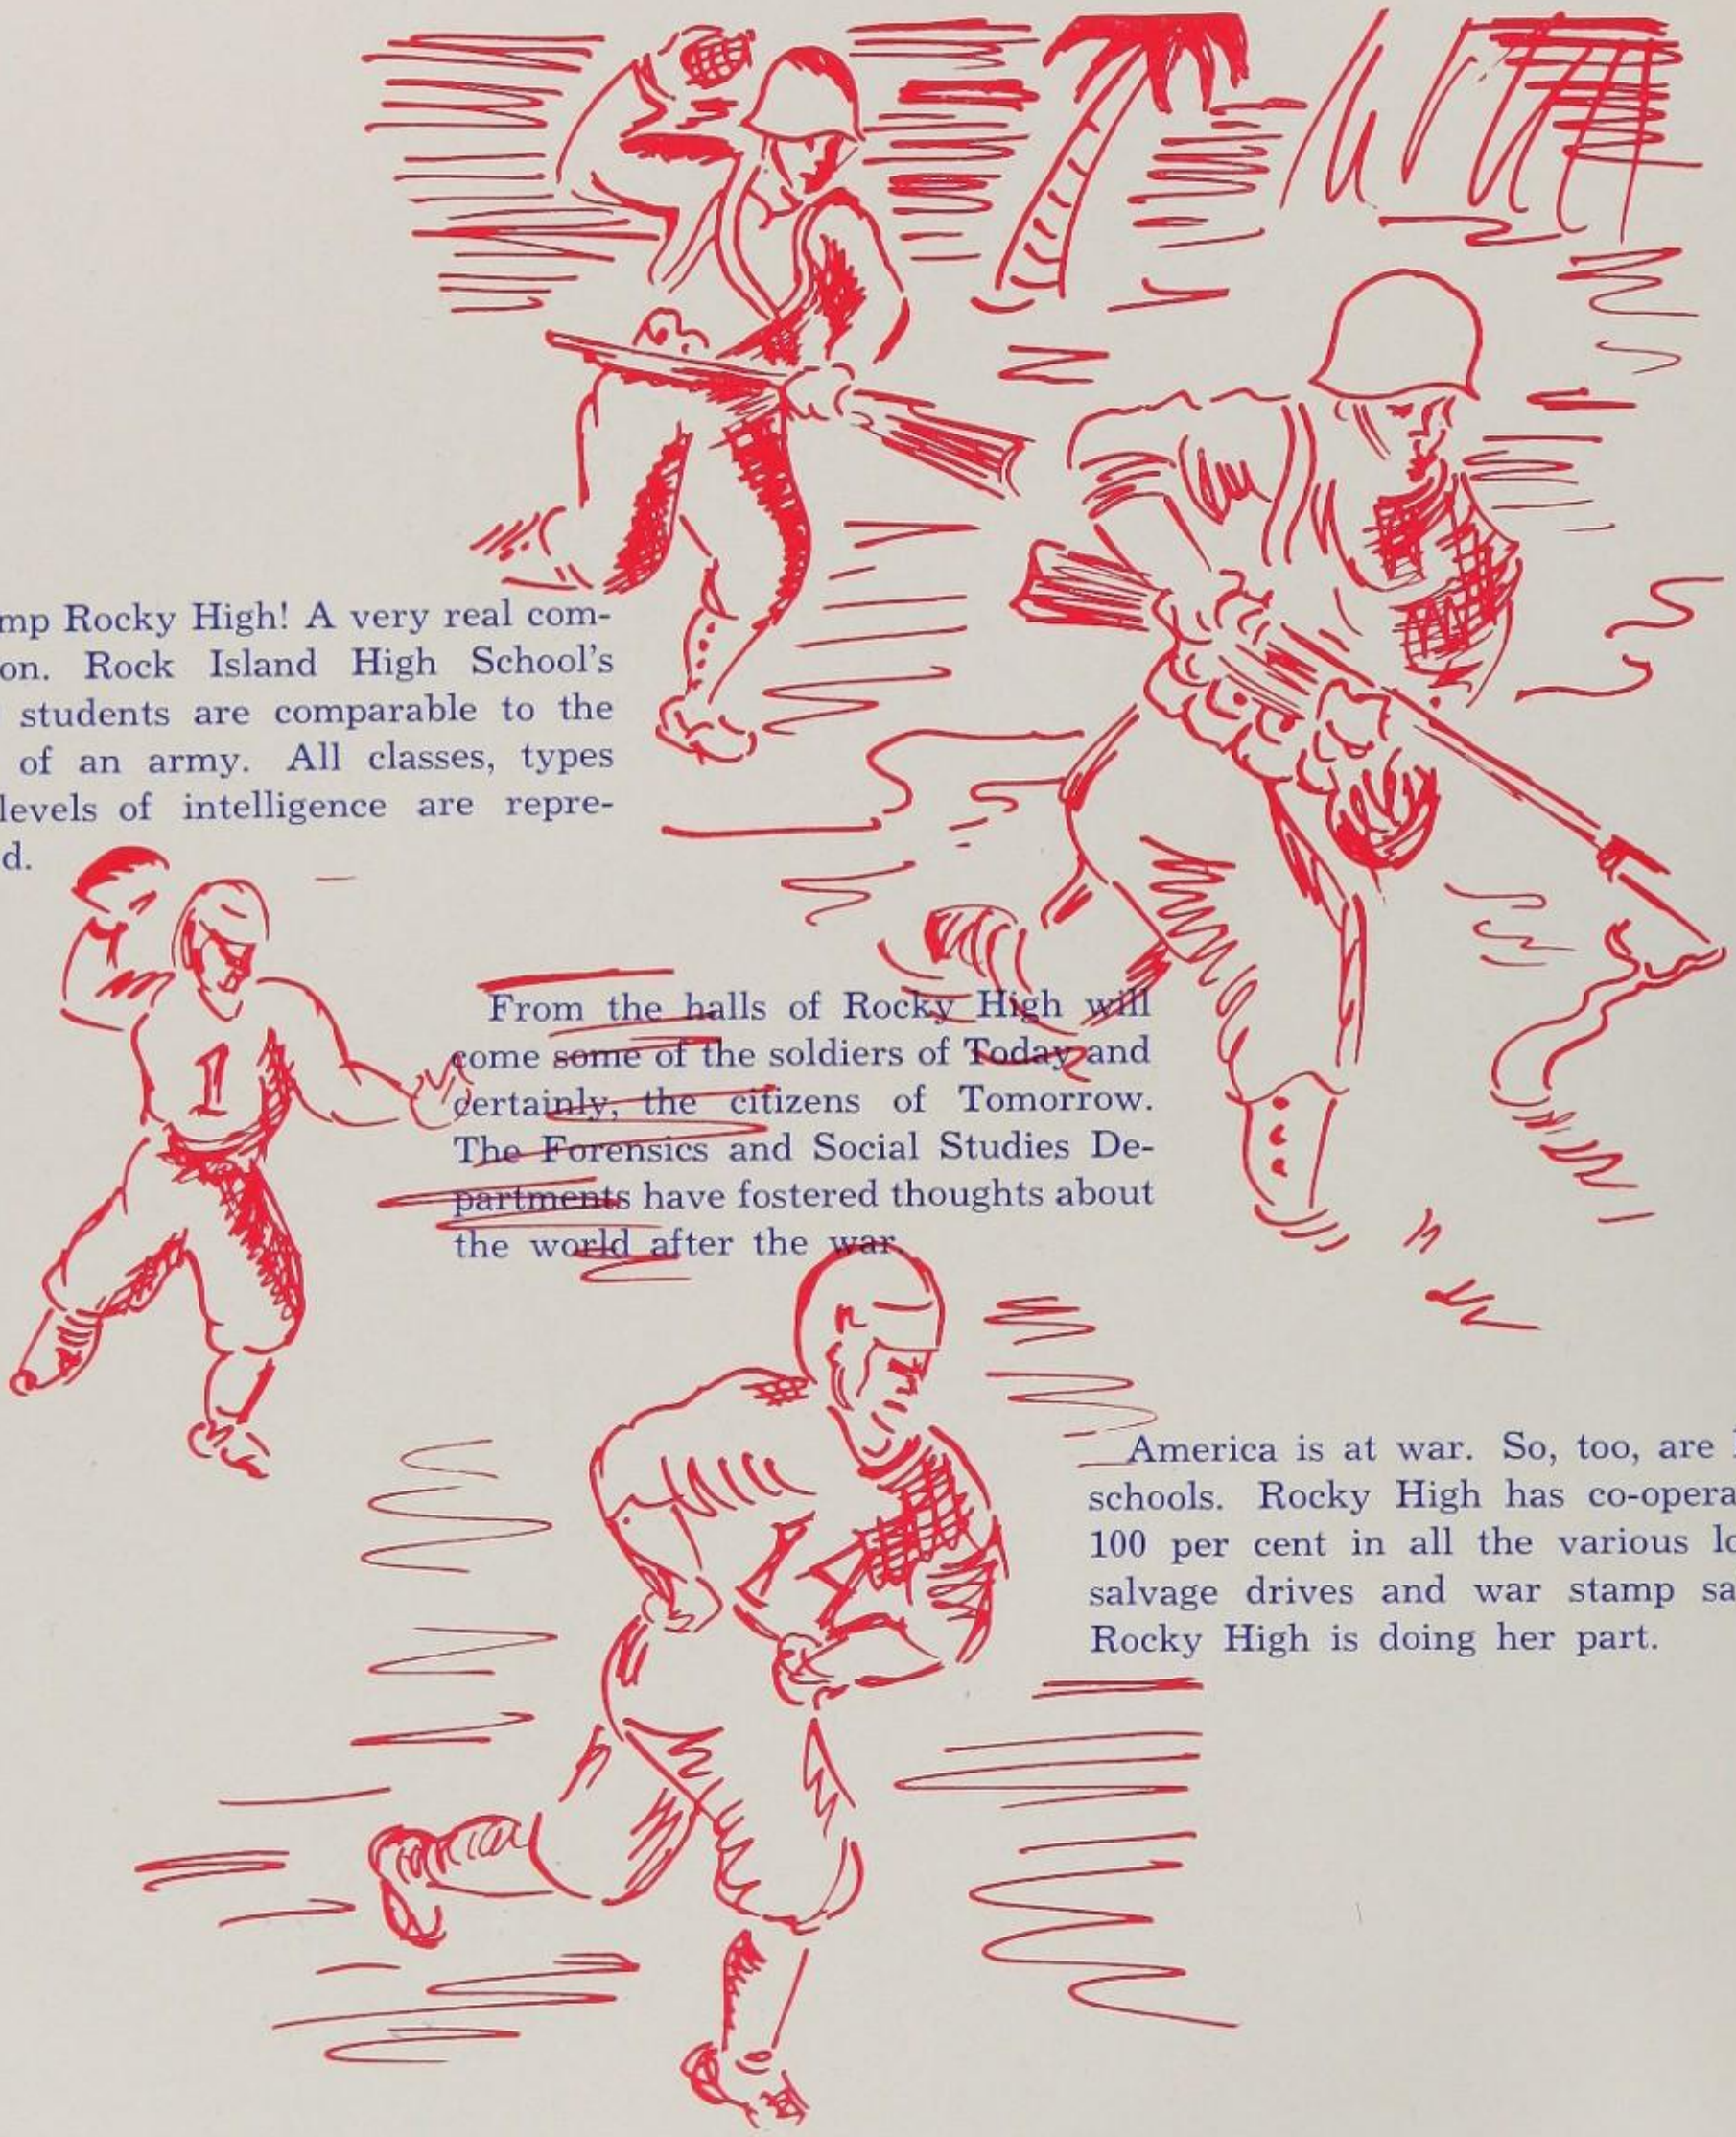
Camp Rocky High



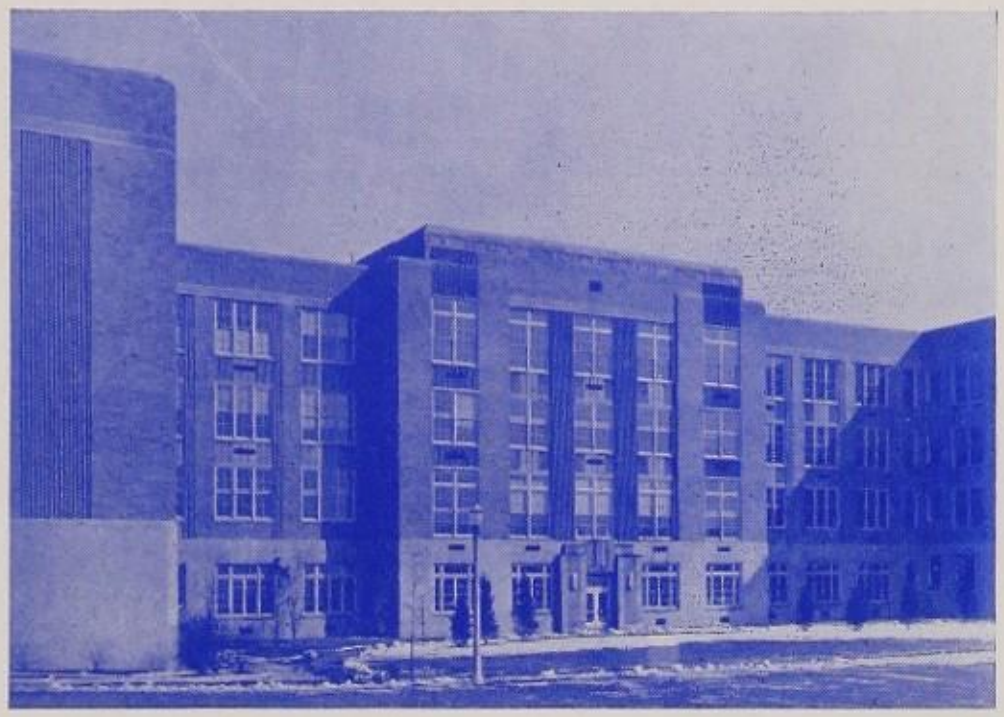
Camp Rocky High! A very real comparison. Rock Island High School's 1,500 students are comparable to the bulk of an army. All classes, types and levels of intelligence are represented.

From the halls of Rocky High will come some of the soldiers of Today and certainly, the citizens of Tomorrow. The Forensics and Social Studies Departments have fostered thoughts about the world after the war.

America is at war. So, too, are her schools. Rocky High has co-operated 100 per cent in all the various local salvage drives and war stamp sales. Rocky High is doing her part.

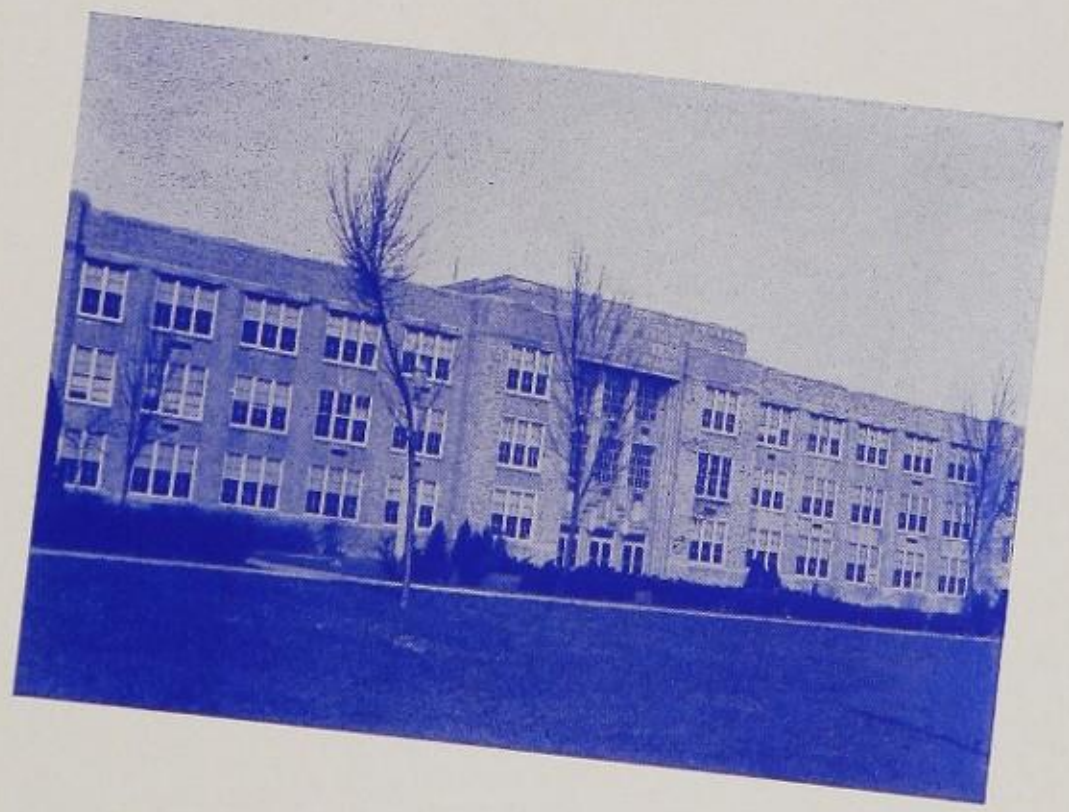
the Barracks

This side of the school which faces toward the west is the center of activity during the lunch periods, particularly in the sunny days of spring and fall.



Although not so familiar to Rocky High students, the entrance of the Little Theatre is just as beautiful and impressive as is the Auditorium entrance.

This entrance of the school is open only to seniors although just a very few of them take advantage of this opportunity. Visitors, too, gain entrance through this door.



Our Commanding Officers

Rock Island High School faculty assembles in the Library.

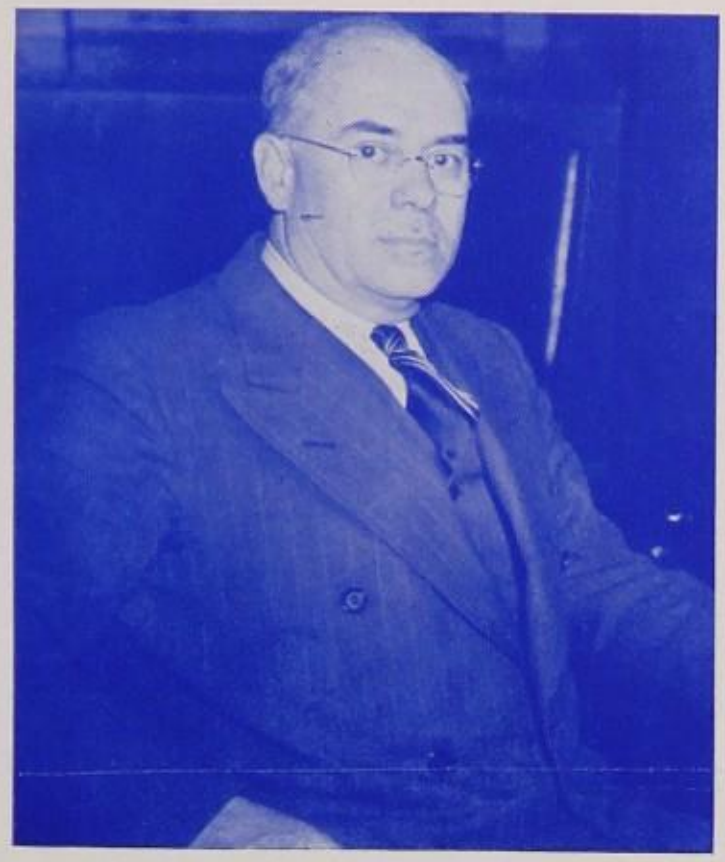
Administration

From left to right—E. H. Hanson, W. G. Murphy, J. G. Youngquist, T. Plantz, Jr., H. Denecke, C. F. Bauer, W. Bailey, E. F. Burch.

A great many new problems have confronted the members of the Board of Education during this year. They have had to deal with the questions of youth in wartime, and the response of the students has proven their decisions commendable.

The members of the board have devoted their time and energy in securing new teachers, planning new orientation courses and dealing with financial matters. It is up to them to make sure that each student gets the most out of his high school education so that he will be better prepared for his future.

EARL H. HANSON



"General" is an appropriate title for Owen B. Wright. Besides being commanding officer for Rock Island High School, he also offers his helpful advice to all "soldiers" stationed under him who need assistance in pre-induction planning.

When it comes to boosting morale, Miss Florence Liebbe, dean of girls, really sets an example. Besides giving friendly advice to all girls, she corresponds regularly with many of her former students now in the service.

Another great writer of letters to service men is E. S. Metcalf, dean of boys. Although loving to tease, he presents a sound point of view when the occasion calls for it and is greatly admired by all.

Custodians

Seated l. to r.—Dunlap, Schroeder, Barnes.
Standing—Miller, Blocklinger, Aversing, Cliff, Parker, Snick.

Cleanliness, a factor so vital in these times, is not by any means neglected at Rock Island High School, thanks to the efficient work of the custodians.

Cafeteria Staff

Just as food is necessary for the Army, likewise it is essential for students. Rocky High can be proud of the nutritious meals served daily by the cafeteria force.

Standing l. to r.—R. Johnson, M. Bosold, M. Stagemen, V. Davis, L. Scott, N. Stehn, J. Grotjan.

Senate

Row 1. l to r—R. Steele, R. Groom, J. Puscus, C. Laughlin, N. Snyder, M. Schmitz, L. Lipking, B. Gibson, D. Collier.

Row 2—C. Hanson, J. Tappero, D. Wheelan, D. O'Melia, secretary; C. Doering, B. Goldman, B. Murphy, M. Collier.

Row 3—D. Johnston, J. Holland, J. Miers, B. Watkins, president; W. Wilson, C. Blancke, B. Schmidt, R. Hoar, E. Cramer.

Bottom Picture:

Row 1. l to r—A. Eddy, H. Anderson, A. Sheets, M. McCombs, M. Kelinson, B. McMullin, A. James, E. Fitzpatrick.

Row 2—J. Davidson, N. Nelson, F. Curry, J. Ehleb, N. Palmer, M. Bergwall, S. Myers, L. Gillespie.

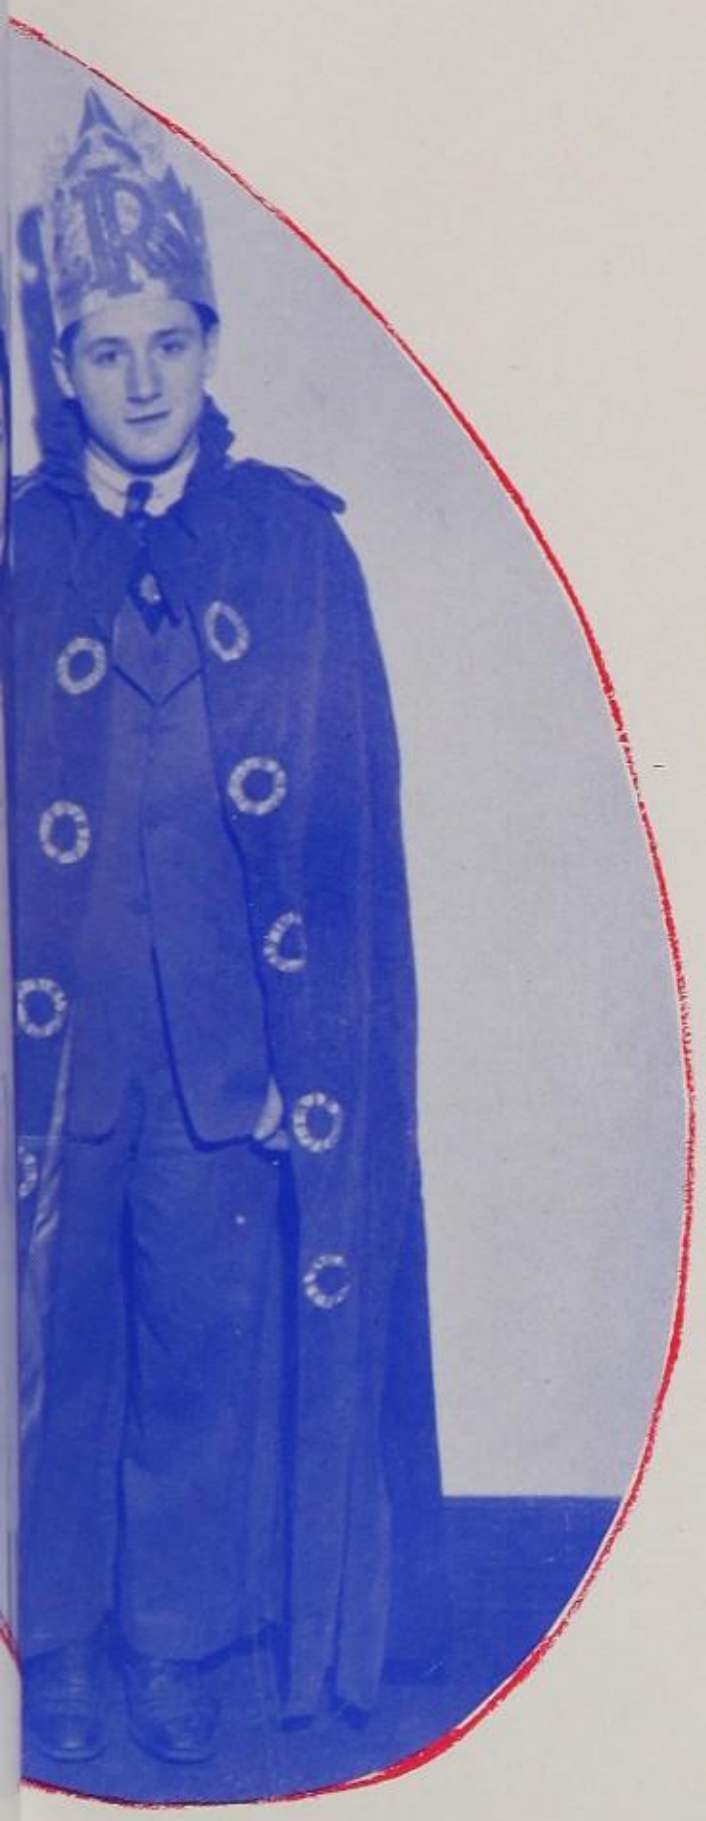
Row 3—T. Wich, R. Boynton, L. Smith, B. Jagger, B. Helmel, J. Sulser, J. Ryan, H. Doden, D. Bauersfeld. E. Erickson, vice president, was not present when picture was taken.

The Senate is the means by which student government is effected in Rock Island Senior High School. This is the governing body which deals, to a certain extent, with the problems and wishes of the students and the faculty.

During the eleventh period on Mondays, twice a month, the students and faculty discuss freely and openly the different questions. Some of the discussions might concern traffic in the halls, school parties and other similar subjects.

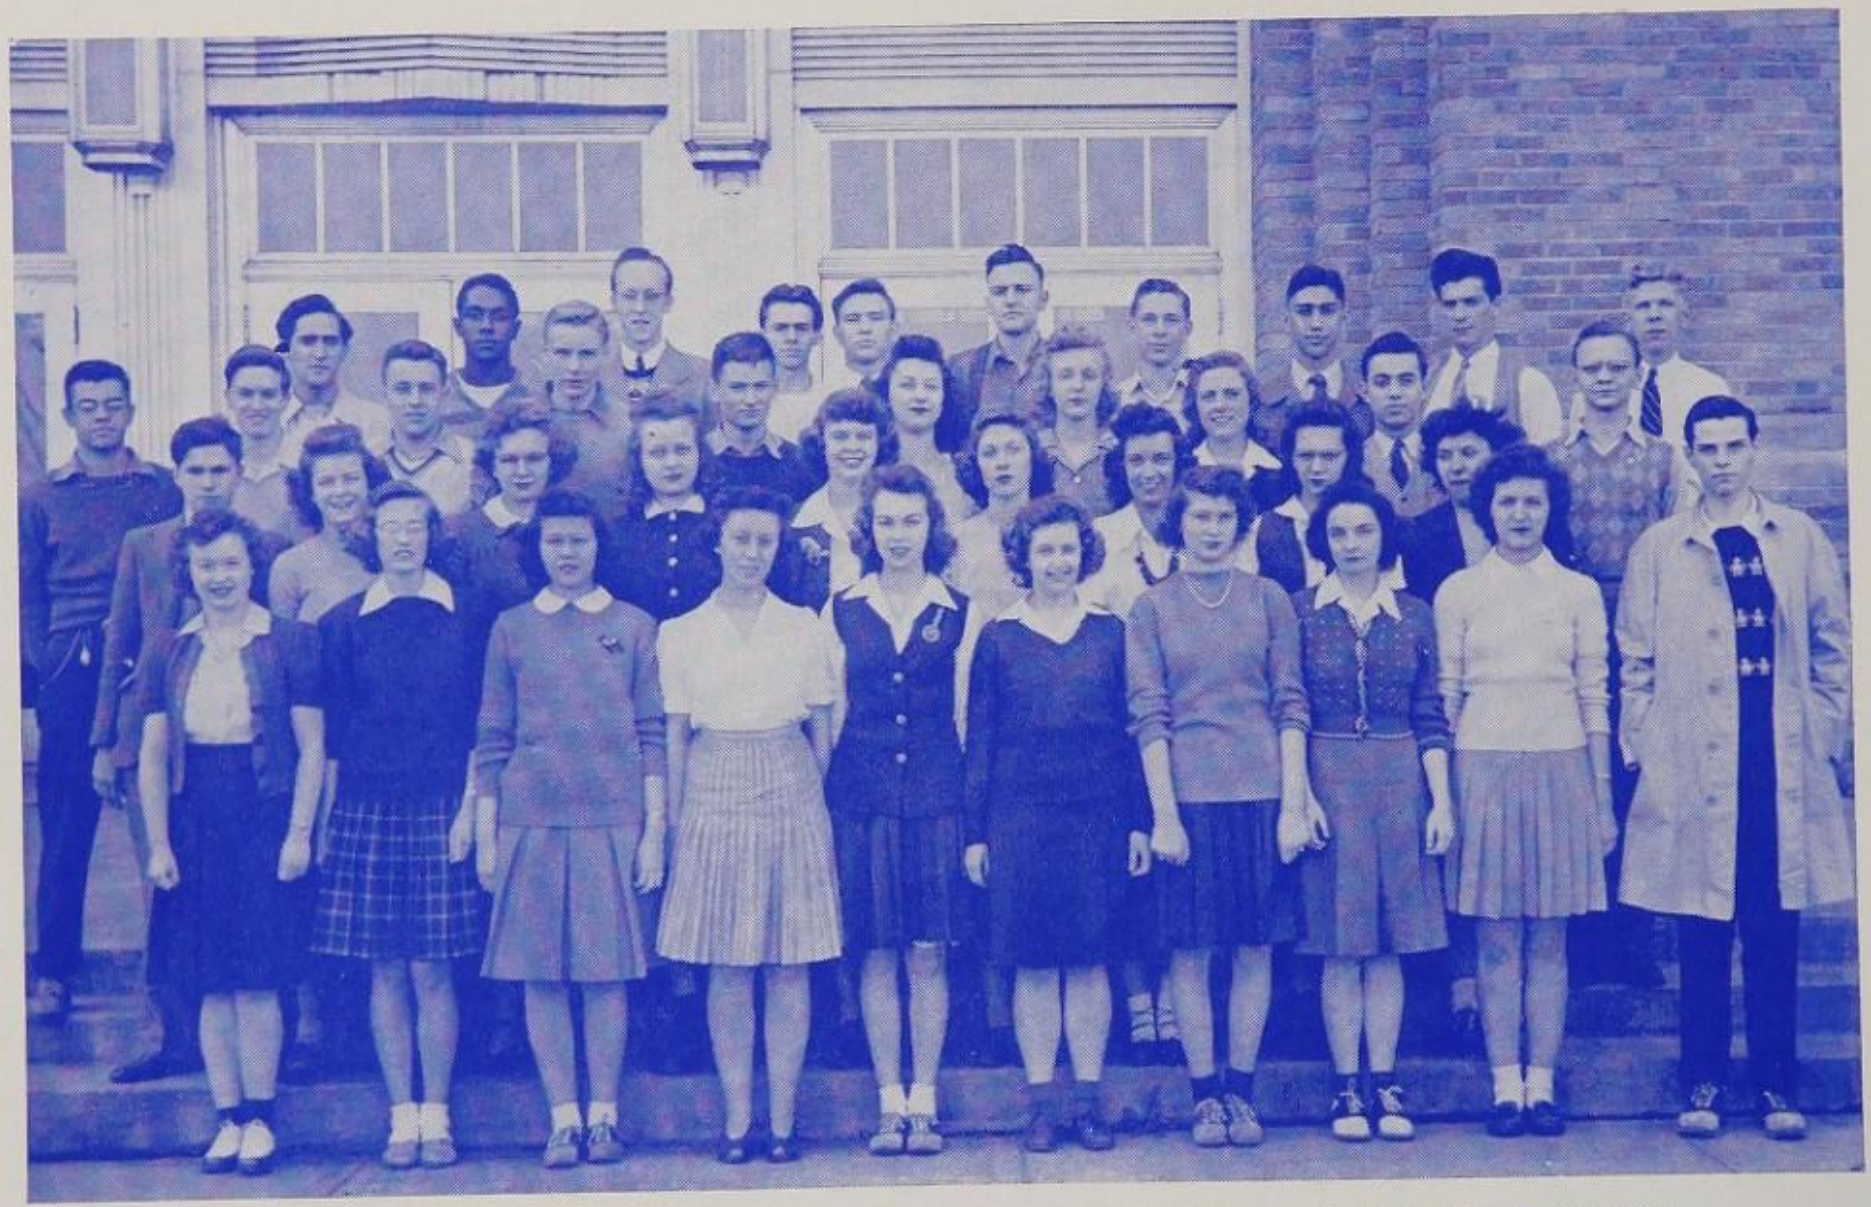
The members of the Senate are elected by the students. One person from each senate room is selected to be a Senator. Pins, depicting a large "S," are given to each Senate member.

Personnel



Homecoming Queen Ferris Curry and King Sherman Hurt.

National Honor Society



Row 1. l to r—D. Riffel, J. Soady, M. Millett, M. Van Colen, E. Bohman, H. Anderson, N. Yingling, M. Johnston, F. Curry, J. Campbell.

Row 2—R. Enburg, B. Crouch, D. Wright, M. Wells, A. Gibson, C. Andich, M. Buckert, N. Nelson, S. Myers.

Row 3—C. Woest, W. Appier, A. Sheets, H. Doden, D. Gipple, D. O'Melia, E. Erickson, J. Ehleb, secretary; B. Goldman, president; R. Brittenham.

Row 4—N. Jannes, J. Holland, J. Sulser, W. Millett, A. Bolinger, H. Schultz, D. Rodgers, W. Pannell, R. Boynton, K. Peterson.

To the Rock Island High School chapter of the National Honor Society of 1943 were elected these 40 seniors. Strong leadership, outstanding character and high scholastic ratings brought this honor to these students.

During their years at Rocky High the goal of these students has been to do all they could for THEIR school, not only in the scholastic field but in all the various activities offered, including music, drama, journalism, speech, forensics, science, athletics and the social clubs.

These seniors were elected to the society by a vote cast by the students in the upper third of the senior class. The final decisions were made by a faculty committee.

The Senate made the National Honor Society a part of Rock Island High School in 1937, and since that time one-tenth of every senior class has been admitted to membership.

These leaders from Rocky High will be leaders out of Rocky High!

Charles Carll, left, was also elected to the National Honor Society but was not present for the picture.

Soon to be coming into their own, the class of '44 is proving its worth in all fields.

This class has contributed to both our varsity teams, and their material insures a bright future for Rocky High sports.

Even a siege of measles couldn't keep the junior class down. After a postponement of one week, the class play, "Ever Since Eve," was a tremendous success.

New courses are being made available for next year's seniors. Girls are offered pre-nursing and even printing courses. The boys have pre-flight, meteorology and electricity courses at their command.

Yes, the class of '44 stands ready for the future!

Activities at Rocky High have brought to light all the enthusiasm and co-operation offered by the youthful sophomores.

Helped by the 9-2's, the underclassmen have done their bit toward making this year a bright one for Rocky High.

Not to be outdone by the Varsity, the football boys, under Coaches Peterson and Glick, have a record to be proud of: Northwest Conference and Quad-City Champs; unbeaten and untied.

The sophomores have given their full-pledged support to our "victory drives."

Sophomores, we're proud of you!

Under the direction of Mr. Julien C. Peterson, the 1943 Amateur Show was declared a huge success.

Encouraged by a group of able assistants, Bill Hillman acted as manager for the troupe.

One of the acts with a lot of audience appeal was a chorus of boys dancing the "Can Can." The "girls" really "wowed" the students.

A military dance, various solos and tricks completed a well-rounded program.

Communique # 15
Rock Island, Ill. (delayed):-
Crimson forces gained ground in their fall campaign in football. However in the winter campaign, in basketball, they were forced to retreat. Their repeated and heroic counterattacks, in this campaign, were beaten down by the enemy forces. The spring offensive showed their spirit to win and again put them on the road to victory—

W. L. KIMMEL

Robert Maloney, assistant football and basketball coach, filled H. V. Almquist's place quite well when the head coach was sick. He took the boys out and won anyway. He took another job after the basketball season and is missed by all his boys.

J. R. Clark, business manager of athletics and golf coach, brought out a fine golf team this fall and spring and kept Rocky High's athletic books out of the "red." He is well known in assemblies along with his joke book.

H. V. Almquist, head coach at Rocky High, tutored the Northwest conference football champs. He also made a good basketball team out of a green bunch of boys. He made the athletic year a success.

W. L. Kimmel, track coach, is the veteran of the coaching staff and has been bringing out winners for a long time due to his good coaching ability and personality. He is the big rival to J. R. Clark in telling jokes.

Rock Island's 1942 varsity football squad enjoyed one of its most successful seasons in its history by winning eight games and tying one.

Coach Almquist and his rugged grid machine started the season out in fine shape by defeating Davenport 27–0 which was the first Islander victory over the Imps in nine years.

This feat plus a 40–0 win over East Moline preceded by a 14-6 margin over Moline gave the Islanders the Quad-City crown, which accompanied their second straight Northwest conference championship.

These three wins gave further glory to the Almquist boys as they became the first Crimson gridders to beat Davenport, Moline and East Moline in the same season.

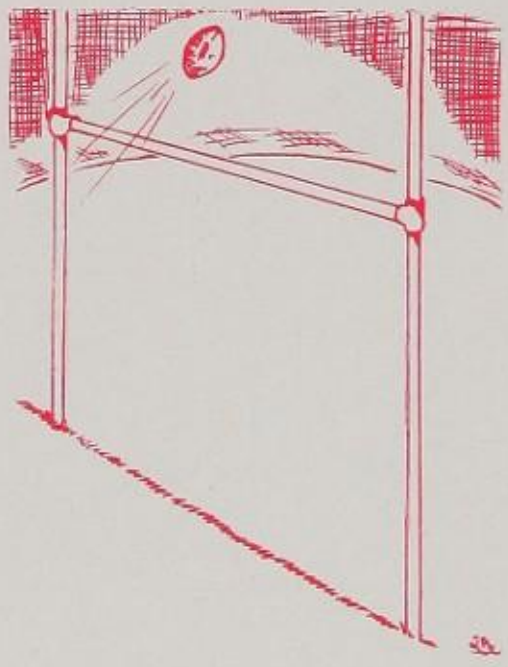
"We, the Rock Island football team, resolve never to lose a game on our own field!" This was the spirit that swept the Islanders through six tough home games without letting the opposition cross the Rocky High goal line and which completed a record of two full seasons of holding the foe scoreless in the Crimson bowl.

This mark was most notably challenged in the Monmouth game when Jackson broke loose only to be pulled down by Bob Mooney and in the East Moline tilt when Jim Holland desperately leaped onto Nickerson.

Another part of the team's spirit worth mentioning was the fine attendance marks at practices set by practically every boy who was out.



ROCK ISLAND had one of the best teams in the history of the school during the 1943 season. Undefeated in eight games and tied in one add up to championships in Northwest and Quad-City conferences.

BLOOMINGTON was the Rock's first test after four weeks of practice. Against rain, wind and solid opposition the Islanders scored twice by air and once on a 58-yard march for a 20–0 victory.

MONMOUTH next invaded the Crimson stronghold and were met with bad weather plus a Rock Island team that sent them home with a 20–0 defeat and a minus 30 yards for its rushing efforts.

DAVENPORT'S 20-game win streak came to an abrupt end as the Islanders converted an intercepted pass, an off-tackle smash, a 29-yard pass and an end run for a 27–0 victory.

KEWANEE was Homecoming timber for the Almquist men as Gordon scored twice and Miers and Viren once. Brilliant defensive work by Tolmie, Hurt, Yokas, Dasso and Moore kept the Boilermakers busy most of the evening.

QUINCY, the last game of the nine-game schedule, wound up in a 19-all tie. A strong Blue Devil team which was rated highly by state experts matched the Rocks touchdown for touchdown.

EAST MOLINE gave the fans plenty of thrills, but the Rocks steamed on to a 40–0 win. Yokas' interception, Viren's reverse, Hines' plunge and Gordon's smash proved too much for the Hilltoppers.

ST. JOSEPH'S gridders gave all they had, but that wasn't enough to stem the tide of six Crimson touchdowns and six extra points by Gordon which added up to a 42–0 win.

MOLINE scored first on a pass in the initial quarter, but Rock Island came back by air and land in the second and third periods for a well-earned 14–6 victory.

GALESBURG proved to be the fifth victim of the Islander grid machine at the Streak's town. Gordon passed once to Holland and Russ for tallies and drove over once himself with Dasso counting on a blocked punt.

Queen Ferris Curry and King Sherman Hurt were voted to reign over the highly successful Homecoming Festivities.

The Queen's attendants are Kay Barton, left and Betty Stone, right. The King's attendants are Bob Watkins, left, and, Mel Gordon, right. King Sherman, along with 10 other huskies, carried out the Queen's first command by blasting out a 27 to 0 win over Kewanee. No parade was staged this year due to tire-rationing, but a fun-filled Homecoming dance was held after the football game.

Sherman Hurt, Frank Yokas and James Holland, pictured at the right, were Rock Island's chief pride and joy of the gridiron this year as all three were given high honors on the all-state teams. Holland and Yokas were cited at the annual all-state banquet in Champaign.

Coach H. V. Almquist, after a successful football season, banded together a team of Islander cagers and guided them over a 22-game trail. The Crimson shooting lads didn't fare as well as the grid eleven, but it made every opponent realize that they had been in a battle.

Rock Island finished in a fifth place tie with Monmouth in the Northwest conference and fourth position in the Quad-City loop. The Rocks lost six conference games by a total of only 15 points which shows that every opponent had to work doubly hard for a victory.

The Islander quintet started out with a bang. After taking DeWitt into camp 33–15, the Rocks visited Cedar Rapids, Iowa, where they defeated Franklin and Roosevelt. Home again, they blasted Monmouth 33–20 and then whipped Geneseo for their fifth straight win. After losing to East Moline, they buried Clinton 50–35 and then clipped Pekin, 31–29.

All through the season the Islanders were looked upon as a surprise outfit. The stronger the opposition, the better showing the Rocks presented. A 43–41 overtime loss to Davenport, a 35–33 scare given Moline and a freezing offense that almost upset Kewanee were some thrilling Islander contests.

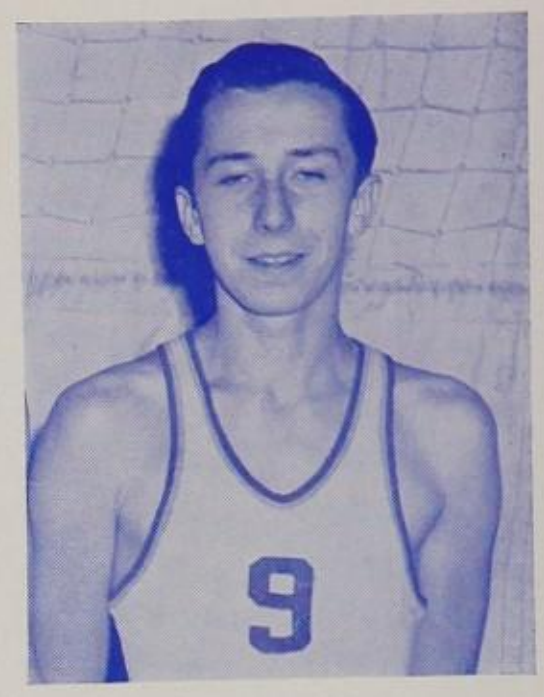
Jim Holland, senior, led the 1942–43 cage squad. Jim played center and forward the first of the season and then switched to his old guard spot. Jack Miers, a fighter, and Bob Watkins, a classy ball handler, held down outcourt positions. Jim Murphy and Larry Gerber possessed good basket eyes. These five seniors will be missed next season. Boys who will continue to carry the Islander victory flag are Jerry Russ, a rugged center, Willie Hines, a fast-footed guard, John Ahl, a sharp-eyed forward, Tom Wich, a much improved forward, Mark Buckrop, a push-shot specialist, and Archie Weindruch, a good defensive man.

Here's hoping we'll be in state finals in '44!

DeWitt 15–R. I. 33

The Rocks started off the season by trouncing the inexperienced DeWitt squad under the usual first-game conditions such as numerous bad passes and off-balanced shots. Jim Murphy sparked the team with nine timely markers.



Larry Gerber

Franklin 24–R. I. 32

After standing up the entire trip and arriving in the Franklin gym 15 minutes before playing time, the Rocks narrowly managed to pull a victory out of the fire. Rock Island played without even warming up.

Jim Murphy

Roosevelt 18–R. I. 33

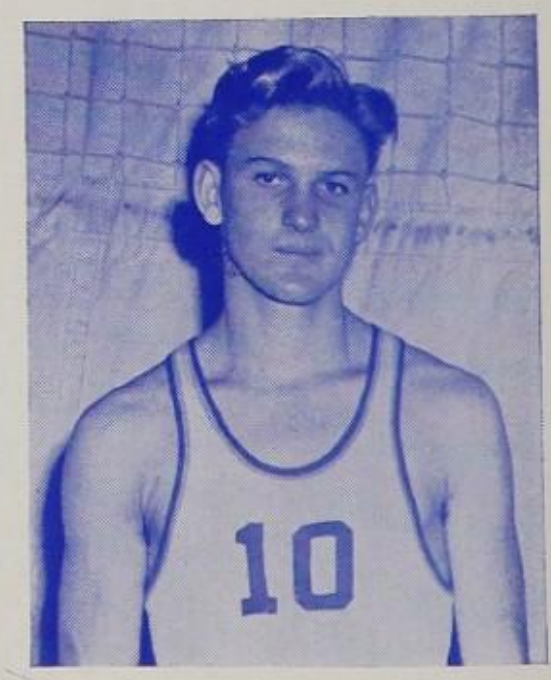
Rock Island's third straight win of the season came from another Cedar Rapids school. Although the smaller Roosevelt team showed much fight, they were highly outclassed throughout the game by the nifty Islander cagers.

Monmouth 20–R. I. 33

Bob Watkins was the star in the Rocks' victory over the lowly Monmouth quintet with eleven points. This win put the Crimson in the lead of the Northwest conference race for the first and last time of the season.

Geneseo 23–R. I. 39

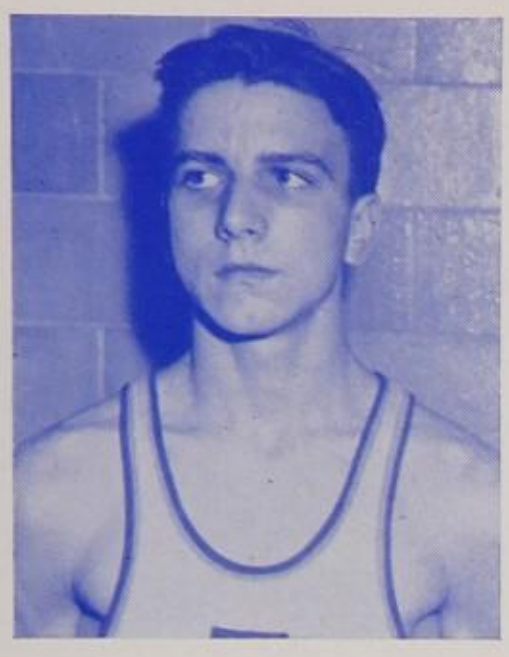
The Islanders got off to a shaky start which left them in a slim 14–13 halftime lead, but after an inspiring pep-talk by Assistant Coach Bob Maloney, they pulled away and were never again in danger.



Mark Buckrop

East Moline 33–R. I. 30

Rock Island's first loss came in a close battle with the East Moline crew in one of the year's best games. The Hilltoppers were uncanny on their shots as they hit on eleven of their last fifteen attempts.



Howard Headley

Clinton 35–R. I. 50

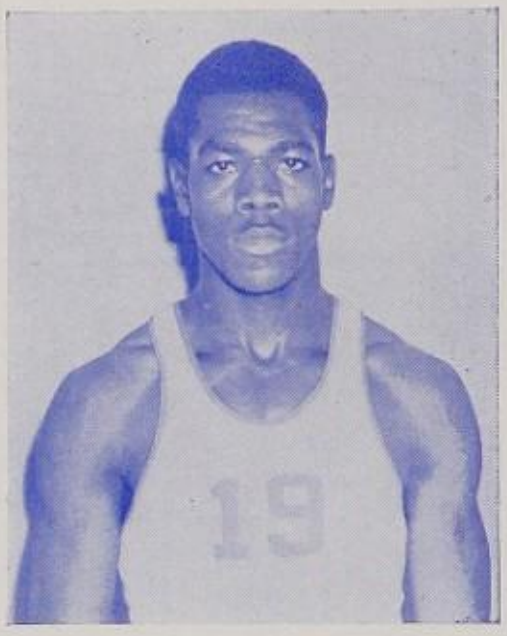
Larry Gerber was too hot for the Clinton squad to handle as he swished in six baskets and five free throws for 17 points. A week before the Islander tilt, the River Kings forced Davenport into an overtime.

Pekin 29–R. I. 31

In one of the roughest games ever played on the high school floor the Islanders came through in the dying minutes to snatch a 31–29 victory from the Pekin Chinks. A total of 35 fouls was called in the game.

Kewanee 47–R. I. 27

Phil Miler and company proved to be too much for Rock Island as they completely swept the Crimson cagers off of their feet. Miler's twenty points plus Bob White's tricky ball handling were the deciding factors.



Jim Rose

Davenport 43–R. I. 41

This game was Rock Island's first heartbreaker as they lost in an overtime tilt, 43–41. Mark Buckrop saved the day several times with his four free throws, but the Imps proved to be too deadly.

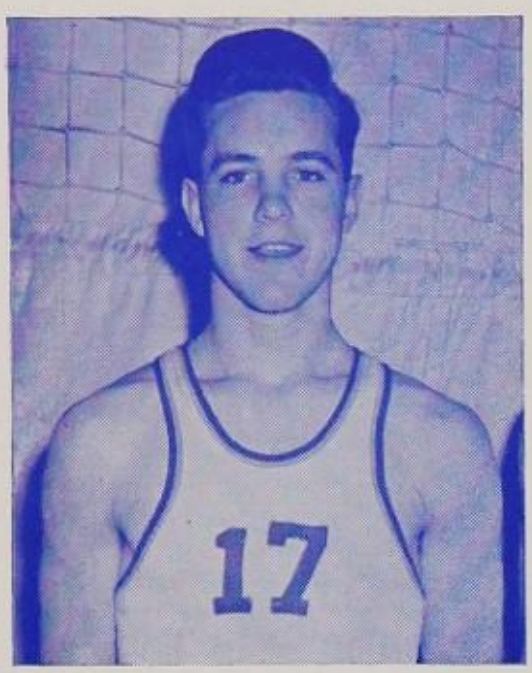
Jerry Russ

Galesburg 44–R. I. 19

The Silver Streaks fast-breaking tactics found the Rocks flat-footed time and time again which automatically forced the Islanders out of the game. It was the worst game that the Crimson cagers played.

St. Joseph 20–R. I. 43

Rock Island's overwhelming substitute power was the deciding factor against the outclassed fighting Shamrocks. Jim Holland led the way for the Crimson lads with 18 points while Laufenberg collected 10 for St. Joe.



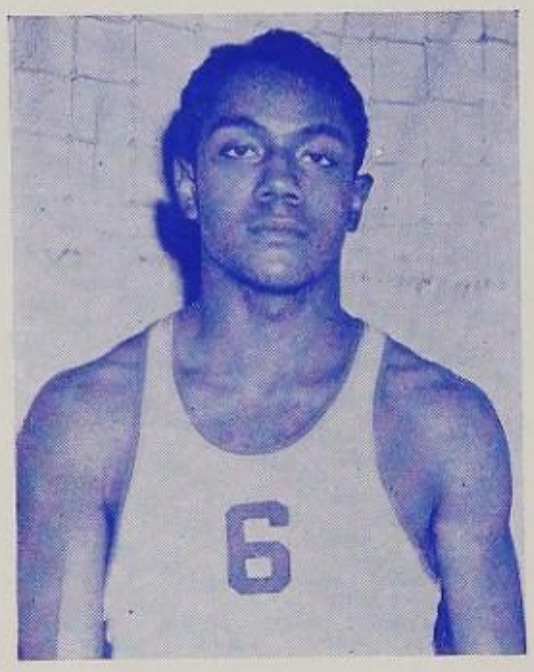
Jack Miers

Moline 35–R. I. 33

Moline's second best team in the state found the Rocks no setup like they had planned as the Almquist-coached team forced the plowboys to the limit for a victory. Holland again was high man with 12 tallies.

Monmouth 28–R. I. 25

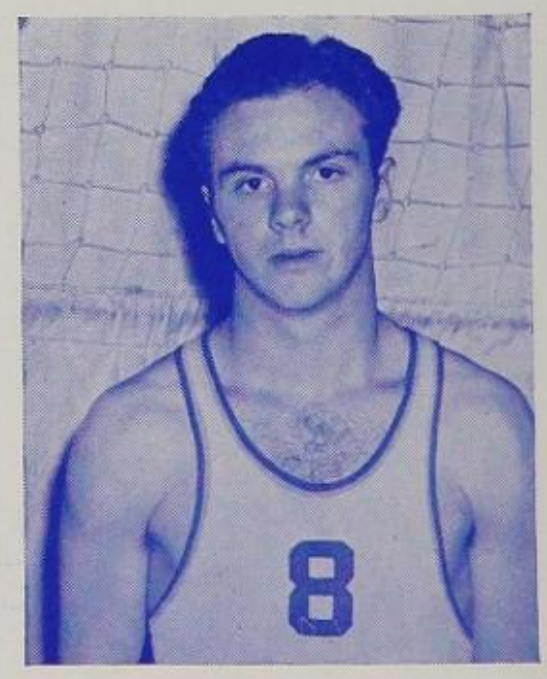
It was Monmouth's night to howl as they snapped a 26 game conference win drought by defeating the Islanders 28–25. The Rocks were better from the court, but the Zippers cashed in on 14 free throws.



Jim Holland

East Moline 30–R. I. 39

The Rocks took revenge on the Hilltoppers for an early season defeat by dumping in 31 per cent of their shots for a 39–30 victory. Holland and Gerber again paced the Islanders with 18 and 11 points, respectively.



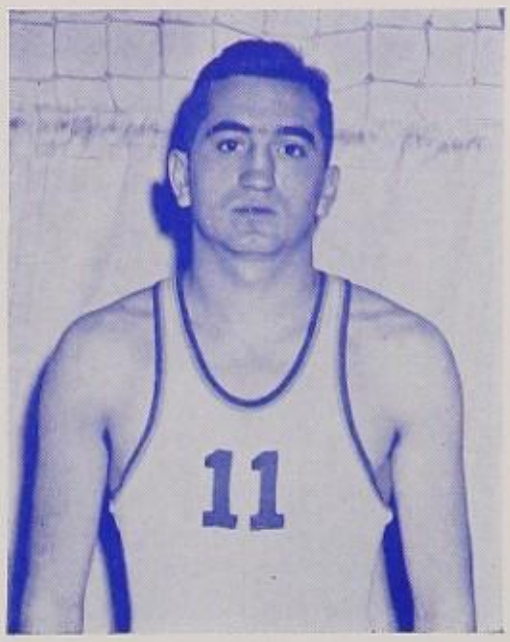
Bob Watkins

Kewanee 29–R. I. 25

The Rocks about drove the Kewanee players and fans crazy with their wierd stalling tactics which had the score tied at 22-all in the final minutes. Bob Fulton cinched the game for Kewanee with a short shot.

Davenport 36–R. I. 25

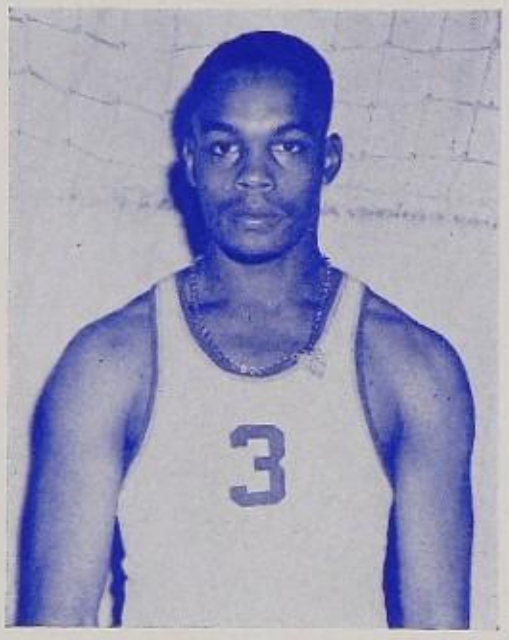
Davenport was not the same team that had played the Rocks in the first tilt, and the Crimson soon found out that they were no match for the high-flying Blue Devils. Holland made 11 tallies.



Archie Weindruch

Galesburg 34–R. I. 33

In one of the best games of the year the highly-touted Silver Streaks discovered that the Islanders had also improved, and amidst a thunder of yells they squeezed by the Almquist boys with a single point.



Willie Hines

Johnny Ahl

Moline 31–R. I. 19

Rock Island again tried to break the Swedes' monotony of wins, but they proved to be too tough again. Cal Anders was Moline's man of the hour as he swished through ten points.

Sherrard 17–R. I. 72 and Moline 43–R. I. 30

The regional tourney was as far as the Islanders got this year as they were again beaten by Moline. In the first game of the tourney the Rocks played and defeated Sherrard, 72–17.

The 1942 sophomore football team doesn't have to take a back seat for anyone, not even the Islander varsity. Coaches Lester Glick and Julien Peterson welded together another rampaging soph grid machine that was undefeated and untied in eight games. The records brought the Crimson sophomores the Northwest conference title for the fourth consecutive year and the Quad-City trophy for the third straight season.

Julien C. Peterson

A large crop of unexperienced boys reported to mentors Glick and Peterson early in September, and at the season's end 42 boys were still drilling daily. Out of this young bunch of sophs will come boys who will fill the shoes of seniors graduated from this year's varsity. If these sophomore lads show the stuff that they did during the 1942 season, there will be no need to worry about winning varsity teams for a long time to come.

The "Little Rocks" defeated Moline 13–0 in their season's opener and then pushed over East Moline 19–0 on two passes and a 33-yard run. Davenport was next on the Islanders list and were polished off 19–0 with Anderson intercepting a pass and going 77 yards for a touchdown. The Iowa Soldier's Orphans Home of Davenport was sunk 21–0, and Galesburg was the fifth Crimson victim, 18–0. The final contest with Davenport ended in a 13–6 Islander victory.

For the season the Rock sophs scored 147 points to the opposition's 6, the latter touchdown coming with five minutes to go in the final quarter of the last Davenport game.

Sophomore Basketball

Coach Lester Glick's sophomore basketball team, that won eight games while losing six during the up and down 1942–43 campaign, was composed of boys that had plenty of fighting spirit and drive plus several lads that will be an asset to future varsity quintets with their all-around playing ability.

It was the most successful season in the won and lost column since Coach Glick took over his duties six years ago. Glick, who usually has to face the problem of filling the shoes of sophomores that advance to varsity ranks, again had to revamp his line-up after nine contests as Jerry Evans, sophomore center, made the grade.

The Rocks were a home floor club through and through. Out of their eight wins, seven were on their own court while five of the six losses were suffered in foreign gyms. In the Quad-City loop the Crimson outfit placed third while tying for the same spot with Monmouth in the Northwest conference.

The Islanders opened the season with a 32–20 win over Monmouth and continued to mop up on East Moline, Clinton, Rock Island reserves, and Kewanee before hitting a 39–26 snag against Davenport for their first defeat. The Rocks lost to Galesburg, but easily polished off the Moline Maroons, 38–23. Monmouth and Kewanee each took one one-point decision, but the Glick-coached men sandwiched a 35–20 East Moline win between the two defeats. Davenport fell victim to the Islander's attack by a 36–35 count which made the season worth while. Galesburg eked out a 34–33 win, and in the finale the Rocks lost to a much improved Moline team, 29–22.

Just as steak goes with potatoes (before meat rationing) so winning track teams are associated with Rock Island High School. In past years it has been the tradition to have topnotch cinder teams and this season proved no exception. Over 40 boys reported to coaches Walter L. Kimmel and Lester Glick, of which 11 were lettermen from last year's seventh place state track squad. With this well-rounded group of boys plus a strong crew of sophomores, the Islanders were definitely tagged as a team to watch.

After a late outdoor start, the Islanders whipped Dubuque and then placed second, five points behind Davenport, in the Blue Devil's own relay carnival. The Rocks, a week later, won the Tri-City meet by a big margin and the following week defeated Davenport, which marked the first time the Imps had been beaten since 1925. The Crimson lads, for the fourth consecutive year, copped the Northwest conference title with a score of 69 points, a 20 point margin over Kewanee who placed second.

The splendid coaching job of Walter L. Kimmel and Lester Glick again was instrumental in manufacturing a winning track team. During the season two Rock Island High School records were broken. Jim Holland, all-around colored star, made a new mark in the shot put and Bob E. Downing set a new record in the high jump. Holland, for the second consecutive year, placed first in the state broad jump.

Wrestling

The wrestling team, under the direction of Kenneth E. Greene, was the most successful in years, coming up with the sectional championship and fifth in the state championship meet. Don Payton became the first state champion in the history of Rocky High, winning in the 125 lb. class.

Glenn McCarty secured second in the 95 lb. class, Bill Albright captured third in the 105 lb. class and Leo Dasso wrestled his way to fourth place in the state meet at Champaign, Illinois.

Row 2—C. Laughlin, D. O'Melia, B. Nelson, M. von Ach.

Although the Rock Island Girls' Tennis squad was not quite as successful as the boys' team, the finished the season with a fine record despite their lack of experience.

In starting off their limited season the girls advanced slowly with several losses, but as the campaign proceeded, they gradually improved to the level of and above their opponents. Their efforts aided the boys in winning the Northwest conference.

Betty Nelson proved to be the mainstay of the squad as she won second place in the Northwest tourney. Betty was only a sophomore this year and with a little more experience she will undoubtedly turn into a valuable team asset.

If there ever was a Rock Island High School team that could make all of its foes say "uncle," it was the Boys' Tennis team. Coach John Huckins and his sturdy squad swept all opposition aside, and with four members of the crew returning next year it looks like they are in for another successful season.

Last spring Ted Hainline, Larry Gerber, Tom Wich and Warren Heimbeck advanced to the state tournament at Champaign as the result of their high rankings in the district meet.

In the fall the squad won the Northwest title as Hainline captured the singles' championship, and Gerber and Wich took the doubles' crown.

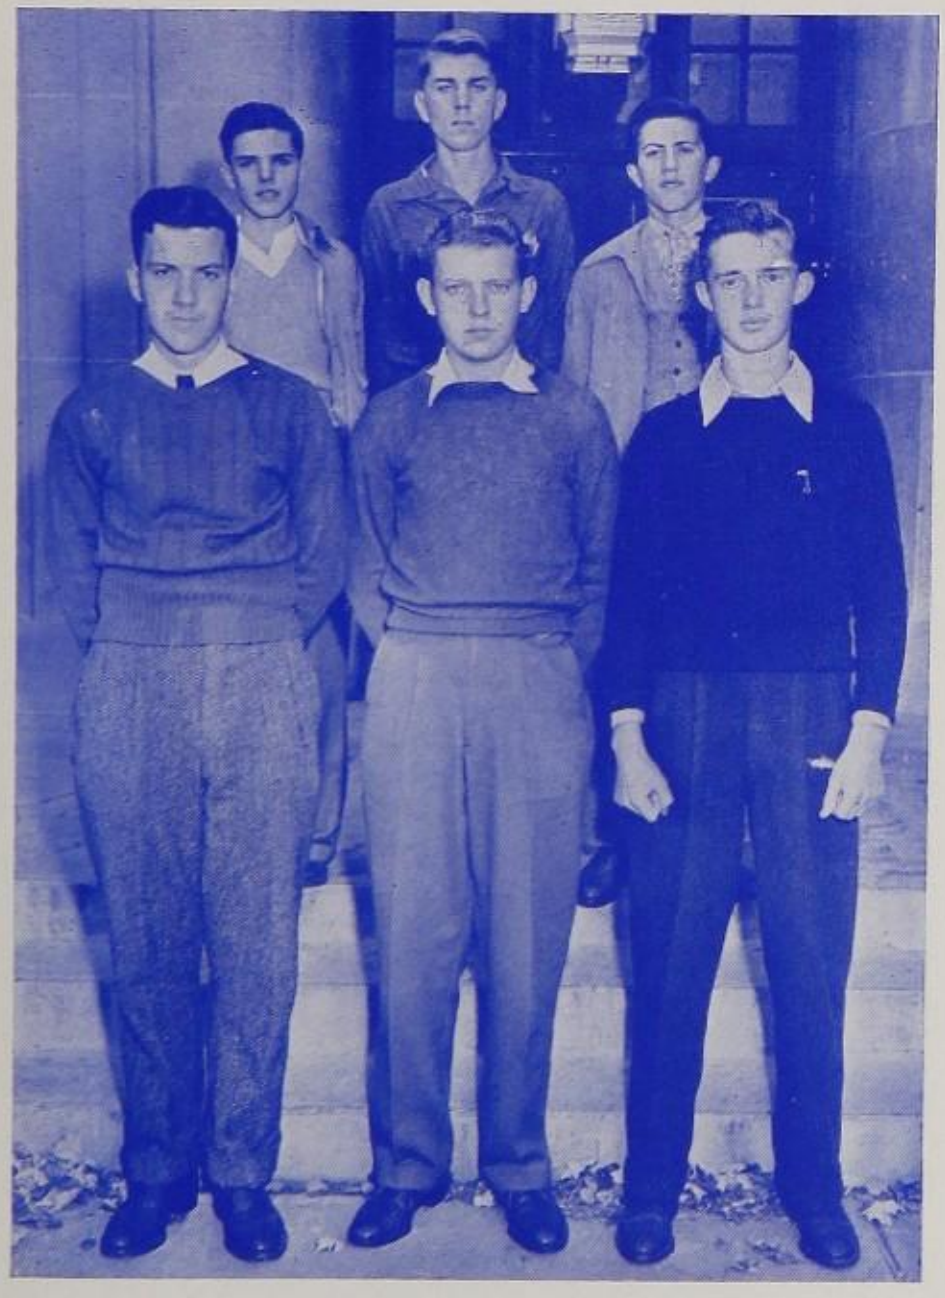
Coach Kenneth E. Greene's Islander Cross Country team wound up in third place in the Northwest conference this year following the strong teams from Kewanee and Moline.

The Crimson runners compiled 59 points for the third berth on a second by Russel Summerhayes, a ninth by Bill Slattengren, a thirteenth by Wally Greve, a seventeenth by Jim Journey and the eighteenth position by Calvin Roy.

Cross Country is not only offered as an interesting sideline sport, but it is also an excellent conditioner for the tracksters.



Golf

Golf, definitely not one of the spectator sports at Rocky High, nevertheless draws some very accomplished boys who are always in the thick of the Quad-City and Northwest conference title races. Last fall Coach J. R. Clark's Islander team placed second behind Galesburg in the Northwest loop and defeated every opponent once except a strong Davenport team.

The squad was composed of nine boys during the fall campaign and eight in the spring semester. Charles Carll, a steady golfer, was lost to the team for the second half of the season as he graduated in March. Other members of the squad include Bob Carey, Bob Duncan, Bill Eblen, Joe Sesbeau, Phil Smith, Marlyn Daubert, Sam Carlino and Hugh Kettering.

"A sport for every girl and every girl in a sport." This has been made possible to Rocky High girls through the Girls' Athletic Association. This club, sponsored by Miss Elizabeth Samkowski, is made up of a large portion of Rocky's more athletically-inclined fems.

The club members may earn points and thus win letters and pins in the club. Points are granted on the basis of the actual number of hours spent on an unorganized activity during a stated period.

A weiner roast highlighted the first meeting of the fall semester, which was held at Blackhawk State Park. Among the many parties given this year by the G. A. A. were a skating party and a Co-ed party with boys taking part. Another feature was a breakfast hike.

The G. A. A. Board held some of their meetings as pot-luck suppers and occasionally topped them off with bowling. The officers of the club, together with the managers of the various sports sponsored by the G. A. A., make up the Board which plans many of the organization's activities.

With everyone else going all out for defense the Girls' Athletic Association wasn't left behind. This club sponsored a quiz program in which members of the student body of Rocky High participated. Defense stamps were given as prizes. At their special Christmas meeting which was held in the form of a chili supper, the girls packed boxes for soldiers stationed at the Rock Island Arsenal. Many meetings found the girls working on scrapbooks for soldiers, sailors and marines in hospitals all over the world.

Keeping in mind its motto, "Follow the trail," and its purpose, which is to unfold to its members the fascinating lore of Rock Island's history with special emphasis on Indians, Rocky High's largest club has just completed another successful year.

The Blackhawk Tribe is one of the busiest and most prominent organizations in school. Meetings are held every other Tuesday in the Activity Wigwam where an interesting program and plentiful refreshments are always to be found. In addition the Tribe council meets every Thursday morning with Mr. Martin, one of the faculty sponsors.

Showing a definite flair for business ability, the Tribe again had charge of the concession stand at all home football games. Judging from many chance remarks, the industrious Indians hit a new high, not only in financial success, but also in courtesy and efficiency.

The high spot of the Tribe season was the Christmas party where the new members were initiated. The time was spent in dancing, playing games and learning the Tribe's war chants, dances and traditions. The party was climaxed by a feast fit for old Chief Black Hawk himself.

Cabinet from l to r—A. Gibson, secretary; H. Anderson, E. Bohman, M. von Ach, N. Nelson, M. Funda, president; V. Denecke, vice president; M. Millett, S. Myers, M. Foley, M. Anderson, treasurer; M. Gregg.

In planning the 1942–43 schedule of events for the Girls' Hi-Y club the cabinet kept in mind, among other things, just what the girls could do to help with the present war effort. And so, many meetings found the girls devoting much of their time to the making of stupe wringers for the Red Cross and the making of scrapbooks for soldiers in hospitals.

This year, as in past years, the Girls' Hi-Y sponsored the annual Lenten services. These services were held during Holy Week in the Little Theatre in conjunction with the Boys' Hi-Y.

This club also sponsored various social functions such as potluck suppers, a Christmas tea and the annual style show. The Girls' Hi-Y ended the year with their beautiful and traditional Ring Ceremony.

So reads the Hi-Y code, and so the Hi-Y member tries to be.

Women absolutely not admitted! The Boys' Hi-Y is Rocky High's only strictly male organization. It is one of the most popular and active clubs in the school.

The Boys' Hi-Y meets every two weeks at the Y. M. C. A. After a pot-luck supper and a business meeting, the time is usually spent listening to a speaker or enjoying a swim.

The Boys' Hi-Y is closely affiliated with the local Y. M. C. A. and, consequently, its members try to live up to the fine standards of good fellowship and high ideals which the "Y" has set up.

The club is governed by its four officers and a cabinet of twelve members. The Boys' Hi-Y is led by Mr. L. V. Burch, Boys' Work Secretary of the Rock Island Y. M. C. A., and Mr. John Huckins, faculty advisor.

Alpha Club

Juniors and seniors keep out! This club is for sophomores only! The club aims to promote a spirit of friendship among the sophomores and to help them become better acquainted with the school, students, teachers and activities.

This club has been in existence since 1923 when it was organized as the sophomore division of the Junior English Council, but in 1926 the name was changed to Alpha, meaning "beginning." The original purpose of the Alpha Club was to teach parliamentary law.

Highlights of this year's season were the St. Patrick's Day party and the Easter party.

Spanish Club

Habla usted espanol? This and many other strange bits of conversation have been heard around Rocky High halls during the last year.

Members of the Spanish club (Spanish students) have been making a practice of reciting five or more sentences in Spanish each day. Miss Caloine is convinced that this helps the students to become more fluent in their speaking of Spanish.

The "penalty" for not reciting these sentences is a penny for each time missed. At the end of the month the money is collected and sent to the Red Cross.

Meetings of the Spanish club are held on the first and third Wednesdays of each month; one is a cultural meeting; the other, a social one.

Cultural meetings are mainly devoted to interesting current events, items about Spain and South and Central America. The social meetings are in an entirely different vein. At these meetings, which are held during class time, songs are sung, records played and stories told, all in Spanish.

Spanish revistas (magazines) and periodicos (newspapers) help make these social meetings more interesting.

The movie "Carmen," which is entirely in Spanish with English sub-titles, was only one of the projects enjoyed by Spanish club members this year.

Together with the French club this group bought a radio for the Romance languages' department. The money for this radio was raised by the students themselves.

Pan American League

To promote good will among the Americas through understanding the problems of our South and Central American neighbors is the chief aim of the Student Pan American league. Sponsored by Miss Malvina Caloine, this group has studied the religious, political and business aspects as well as the social and cultural views of the Americas. The Rock Island branch of the Student Pan American league is only one of many in this country and is now in its third year of activity.

During the past year, Pan American members have conducted a very successful book drive. All members contributed as many old books as they could. These books of many age ranges were sent to a school library in Colombia. In addition to this, the members sold candy in order to buy four new books for the Colombian students. In return the Colombians are to send their books to students at Rocky High.

The chief course of study of the Pan American league during the last year has been the Pan American Highway. This served as the topic of discussion at many of the meetings. It has also been presented in the form of movies and lectures, which were given by the members without any outside help.

One of the advantages of knowing about the Pan American Highway is that the student becomes better acquainted with the location of his neighbors to the south. After satisfactorily passing a map test which includes locating the Central and South American countries and their capitals, the members are eligible to wear the Pan American pin. This pin is worn by members of the Pan American league throughout the Americas.

French Club

A Rocky High institution for over 20 years! The French club, under the sponsorship of Miss Malvina Caloine, has a record of which to be proud.

This group has contributed to a fund which is for the welfare of French children outside occupied France.

At their two monthly meetings French is spoken exclusively. Miss Caloine believes that this has been successful because of the great enthusiasm shown toward French languages and customs.

"Yo-ho-ho, and a bottle of rum!"

Perhaps that isn't the real battle-cry of the Mariners, but it might give you a vague idea of their hearty spirit.

The Mariners, with Edith Sweeney as their captain, glide smoothly along in the good ship, "Flying Cloud." They drop anchor each third Monday in their home port, the Activity room. Their skipper is Mrs. G. E. Carll, and their mate is Miss Media Hankins.

Besides having fun participating in overnight camps, craft projects and social meetings, these "sailorettes" have aided the war effort by putting on their highly successful campaign of "Furs for Seamen."

Smooth sailing, Mariners, and may your seas always remain calm!

Senior Service Scouts

In May, 1941, the Senior Service Scouts were organized, and now they have become the "guiding mother" of the Girl Scouts.

The 18 members meet every Thursday at the Y. W. C. A. and every third Monday at the high school. They are under the direction of Mrs. Cecile Kettwig; the president is Doris Fielhaber.

The Senior Service Scouts have participated in many important programs. The successful button and string campaigns aided greatly in the war effort. Then, too, the Scouts are thoroughly acquainted with all first-aid processes. During the practice air-raids here in Rock Island, several Scouts take positions at the control boards.

The organization's purpose is to set a fitting example for the Girl Scouts to follow.

Rocky High's fanatical "shutter bugs" are organized into one of the livliest clubs in school —the Camera club. Daily these camera fiends can be seen running around school, snapping candid shots and then dashing up to room 303, their hangout, to discuss the latest in photographic technique or to putter around in the "hypo."

Once a month these energetic members lay aside their cameras, leave their darkroom and take time out for a meeting.

Business at these meetings concerns itself with the many salon contests in which several of the Camera club members participate and with ways and means of buying new equipment.

Due to shortages in chemicals caused by the war, their motto has become "Be Careful."

Home Ec Club

The Home Economics club, with Lucille Shea as president, is an all-girl organization and has been in effect for quite some time. Besides the usual courses in cooking and sewing the girls are taught how to choose their clothes and how to plan practical, well-balanced meals. Through these means educational, social and practical service experiences are given to the girls.

The Home Economics club, in addition to seasonal parties, presents an annual style show. The girls make all of their outfits and then model them in front of a large audience.

The Home Economics club has always had a great many participants and has proved of immense value.

The monitors of Rocky High may be compared with the military police of the Army. Sixty "M. P.'s" are at their posts during one period each day. This small number of student supervisors is due to the fact that the students have a good deal of self-discipline.

When visitors desire to locate someone or some place, the monitors are on their toes. Some of their other helpful duties are: assisting the office force, regulating traffic in the halls during the periods, controlling the lights between periods and keeping "unwanteds" out.

Mr. E. S. Metcalf, dean of boys, supervises this invaluable service. This is just one of the examples of student government which exists at Rock Island High School.

Clinic Assistants

The Clinic Assistants organization, under the direction of Miss Elizabeth Samkowski, has been in effect since the opening of the Senior High School six years ago.

But just because they don't wear white uniforms isn't a sign that they don't know their business. They are perfectly capable of administering first-aid and of making comfortable a girl who is ill.

At the present there are eight girls in this organization who serve one period each day. They are allowed to study during this time, but they must always be on their toes in case of an emergency.

The girls are chosen for their responsibility and capability, and for the past six years this organization has shown its complete worthiness.

KENNETH PETERSON
Editor-in-chief

Greatly hampered by wartime restrictions, the annual staff had to work doubly hard this year in order to make the 1943 WATCH TOWER Annual a successful publication. Editor Kenneth Peterson and other staff members could be found in the annual office almost any night long after "taps."

When chief strategist, Mr. Baird Mc Ilroy, joined the Navy, the entire group determined to carry on and to do the very best job possible.

In keeping with the patriotic trend of the times, the theme of this year's senior publication is "Rock Island High school as compared to an army camp."

"Business as Usual" became an outmoded term in business this year. So, too, did the business staff of the 1943 WATCH TOWER have to comply with this change.

The advertising staff did not find it an easy job this year, selling ads to businessmen of Rock Island, Moline and Davenport because of the higher prices and scarcity of merchandise to sell.

The circulation staff did very well in its initial campaign. Ben Shlaes was out in front with 130 annuals sold while Stella Grevas was second highest.

Following the resignation of Bill Krueger, Jim Hall efficiently filled the position of business manager. Jim also acted in the position of advertising manager, but this double duty didn't seem to bother him much.

Fall Crimson Crier Staff

"A tough job well done" is a fitting description for the work of the fall staff of the *Crimson Crier*.

Under the direction of Mr. Baird McIlroy and Editor Delores O'Melia, they rolled every issue off the presses in good journalistic style.

A feature to their credit was the special war issue. Headlines, pictures and articles about the army, navy and marines were featured.

During the semester they sponsored a key drive in which 7,000 keys were collected. These they turned over to the government, and the proceeds went to the Red Cross.

Spring Crimson Crier Staff

The spring *Crimson Crier* staff marched on with new and exciting ideas to better the paper. New columns such as "Latest Patter" and "Grunt 'n' Groan with C. E. Stone" came into the limelight while columns such as "Dr. Crackpot" and "Rockettes" were put on the obituary list.

The Jeep campaign also came through in excellent style with Rocky High buying a jeep in two days.

To contribute to the war effort, the staff made an extensive study to find the names of all service men who had at some time attended Rock Island High School.

In case you think the boys in the print shop don't have much to do, just take a look at some of the things they turn out: report cards, detention slips, play programs, athletic schedules,

many types of tickets used by the school, and the *Crimson Crier.*

Several times during the past year when the presses broke down, the print shop boys have stayed at their presses during assembly in order that the *Crimson Crier* might come out on time.

Some of the boys make one and two colored stationery for themselves, and seniors print their own graduation cards. The boys also learn how to bind books.

The boys in the print shop take turns in using the various machines, and in the course of the year they learn to operate all of them. In this way every printer can take a job through all the stages, from the time it is brought into the shop until it is delivered.

Speech

"The Fool"

Left to right—M. Johnston, D. Rodgers.

"The Fool"—that was the name jeered at Daniel Gilchrist, who tried "to live like Christ." This starkly, realistic drama by Channing Pollock was presented by the senior class on the evening of May 7, 1943.

Gilchrist is a young minister who is constantly fighting to obtain justice for the common worker.

Although he is aware of the fact that he will be put out of the church and will lose the woman he loves, Gilchrist denounces the methods of several of his wealthy church patrons.

He then goes to Overcoat Hall where most of the people will not believe in him because they misunderstand his intentions. During a meeting at Overcoat Hall a riot is incited by labor agitators. An angry mob descends on Gilchrist and his meager number of friends. At a point when only a miracle can save Daniel Gilchrist, faith performs that miracle.

"Ever Since Eve"

The Junior class presented "Ever Since Eve," a truly fine comedy. The play centered around the publication of "The Penquin," a high school newspaper, and the headaches and heartaches of the staff. Johnny Clover (Theodore Hainline) is editor of "The Penquin," and Spud Erwin (Charles Bowlby) is his assistant. The teacher (Marvelle Gregg) decides that Susan Blake (Bettie McMullin) should help Johnny with the paper. Johnny is one of those boys who hates women and thinks "her place is in the home."

Johnny finds out that the woman's place is not always in the home when he and Spud get the measles. After considerable effort, Susan finally gets the first edition of "The Penquin" published. Johnny then sees Susan as she is, a cute, smart high school girl. An excellent supporting cast of Sally Crabill, Paul Clark, Babette Wagner, Willis Otto, Richard Hansen, William Mosenfelder, Charles Marsh, Jerry Russ, Pat Dahlen and Harry Cleaveland provided much of the invigorating, youthful comedy in this play.

Trying to make love while using only one-word sentences sounds like a hard job, but in this "One Word Play" Bettie McMullin and William Mosenfelder get along fine. In a beautiful garden with shining stars and a big, yellow moon to help him, how could anyone go wrong?

Giving a play without using props seems like a difficult thing to do, but the actors in the play, "The Happy Journey," were quite at ease. This is the story of a typical American family taking a trip. In the cast were Charles Dobbler, Sally Crabill, Charles Marsh, Virginia Denecke, Carl Stone and Margery Tyler.

Embarrassing moments! This play, "Let's Make-up," had plenty of them—especially for two high school girls whose boy friends decide to shave in a hotel lobby because the girls applied make-up in public. The cast included Theodore Hainline, Pat Dahlen, Beverly Schatterman, Claire Laughlin, Mardell Parker, Jean Witte, Marvin Kelinson and Don Verger.

A date with his best girl—and her little sister, a tuxedo—and no car! That was Eddie Johnson's predicament in this typical high school comedy, "Three's a Crowd." In the cast: Jerry Russ, Donna Cudworth, Elaine Fitzpatrick, Harry Cleaveland and Richard Hansen.

"On Borrowed Time"

Paul Osborn's seriocomic play, "On Borrowed Time," was the Dramatic Club's 1942–43 production. David Rodgers realistically portrayed the character of Gramps. Ted Hainline was an efficient devil in the apple tree, and Charles Marsh enacted a cherubic "Pud."

One of the outstanding features of this play was the unusual setting which required complex productive facilities.

Under the sponsorship of the Misses Dorothy Peterson, in charge of acting and stage work, and Lyal Westerlund, in charge of business and finance, this club has enjoyed success throughout many years as a leading club of Rocky High.

For their part in the war effort, the members of the club packed Christmas boxes for the boys in the armed services that were stationed on Rock Island Arsenal. This took the place of the usual Christmas party, which has been an annual event for many years.

The spring party was in the form of a theater party held at the Fort theater.

The officers of the club include Jim Campbell, president; Don Gipple, vice president; Carol Karr, secretary, and Carol Franck, treasurer.

To be admitted to membership of the Dramatic club you have to prove you can act. Tryouts are held at the beginning of each year, and prospective members are then given a chance to prove their acting ability.

After you have passed your entrance exam and are a full-fledged member of the club, you have the opportunity of acting in the Dramatic club play, this year's being "On Borrowed Time."

Not everyone can act in the play, but there are numerous opportunities to help with backstage work such as lights, properties and make-up which are very important for a successful production. Ticket selling and publicity along with business problems offer other training for members.

The Girls' Declamation team made a dramatic exit carrying away all the first place honors in the prominent contests. Poetry was conspicuously present this year with Martha Johnston giving the "Murder of Lidice," and Margaret Foley giving "The White Cliffs." Martha, Northwest representative, won first place in Moline.

The Girls' Oratory team included Sally Crabill, Delores O'Melia, Norma Snyder, Claire Laughlin, Eileen Reinhart and Marilyn Barker.

The Boy's Declamation team again captured first place at the Invitational meet in Davenport. Bob Myers placed first for the third consecutive year. His winning declamation was "The Mennonite."

The Boy's Oratory team also placed first at the meet. Ted Hainline carried away first-place honors with his oration, "The Real Purge," which was written by his brother Forrest Hainline. Both teams are composed of six members.

Debate

The question debated this year in high school tournaments was: "Resolved: that a World Federation should be established."

In the first inter-school tournament, the Galesburg Invitational Debate tournament, out of four rounds the Rock Island squad won seven debates and lost one, placing first out of 18 schools entered in the contest.

In the next contest, the Augustana Invitational Debate tournament, the team won five and lost seven.

In the Northwest Conference Debate tournament, Rock Island placed first among the six Northwest Conference teams entered by winning eight out of ten debates.

Season's Record—20 wins—10 loses—Conference champions—first in two of the three tournaments entered. There was, however, a debate for underclassmen with East Moline which ended in no-decision and a tournament in Davenport on April 3 for B squad debaters. In this tournament Rock Island placed fifth.

The coach, instructor and chauffeur for the teams was Mr. P. J. Martin.

The teams are chosen by Mr. Martin from the Extemp class, according to the work that is done during this time by the members.

Topics include almost all the present day events. The speeches are judged by the material therein and the presentation.

The extemporaneous season opened with high honors for Rock Island High School and five points toward the Northwest Conference championship.

Evangeline Erickson, Rock Island's Extemp representative for the Northwest Conference, took first place, speaking on "The Balkans."

Three other Rock Island speakers, Margaret Foley, David Rodgers and Andrew Bolinger, won a duel contest with East Moline.

First place for individual speaking went to Andy, with Margaret placing second.

Again Evangeline took first place—this time in a dual meet with Moline. Another Rock Island speaker, Norma Snyder, placed second in the same contest. Other Rocky High speakers were Andrew Bolinger, David Rodgers, Martin Sabath and Margaret Foley.

"To gain for its members mastery in the art of clear and supported thinking" is the purpose of the Forum club, the newest group in the Forensics department of Rocky High.

The group performs much research upon, organizes, discusses and presents such varied subjects as, "What kind of a world I would like to live in after the war," "How to make the most of our successes and failures" and "Dangerous propaganda."

In spite of its short existence this group has many notable accomplishments to its credit. It has presented programs before the State P. T. A. as well as church, school and civic organizations. The club gained national recognition two years ago. It presented a round table discussion over the American School of the Air program on station WBBM, Chicago.

The Forum, which is listed in the group of national forums, is under the sponsorship of Mr. P. J. Martin. Meetings, held weekly, are devoted to preparation for broadcasts and other public performances. Membership is by invitation only and is limited to 12 members.

Girls' Trio l to r—J. Lear, D. Lanaghan, N. Smith. Pianist—N. Nelson.

A part of the success of the annual fall concert of the combined Girls' and Boys' Glee clubs was due to the perfection and mellowness of tone of the Rock Island High School Girls' Glee club. This chorus of fifty-seven girls' voices was noted this year, as usual, for their outstanding performances.

Under the direction of William G. Rozeboom the chorus presented stirring selections in the fall concert as well as on several WHBF broadcasts. Among some of their most appealing numbers were "Alice Blue Gown," "Homing," and "Lamps of Evening."

The Girls' trio, composed of Jean Lear, Dorothy Lanaghan and Norma Smith, and accompanied by Naomi Nelson, was outstanding in its many performances throughout the year. Especially appealing was their interpretation of "Please Think of Me."

Boys' Glee Club

"Distinguished for the excellence of their productions."

That's the kind of praise which reached the ears of Mr. William G. Rozeboom many times during the 1942–43 school year.

The members of the Boys' Glee club together with the Orpheus club (the boys' division of the Light Opera chorus), the Male quartet and various soloists participated in 55 performances during the year.

Several of the Boys' Glee club performances were given over WHBF. At this time approximately 20,000 people comprised the listening audience. Those who heard these broadcasts were amazed at the work high school people could do. Requests poured in from all over the state for programs, and though the glee clubs complied with many of them, they found it necessary to refuse many others.

An ever popular group of entertainers, the Light Opera chorus, starred again this year in many performances, thrilling audiences over the entire tri-city area.

The students in this combined chorus of voices are selected from both Girls' and Boys' Glee clubs.

Besides presenting light opera music, they have an assortment of religious selections which have been arranged in the form of a religious "Evening Prayer." They have presented this program in many churches during the past two semesters.

Attired in gay and colorful "Crimson and Gold" costumes, they offered several light opera arrangements in the annual fall concert of the combined Girls' and Boys' Glee clubs.

Because of transportation difficulties, unlike last year when they were able to sing in places great distances from Rock Island, the Light Opera chorus was unable to accept some requests for their presentations outside of the tri-cities.

Another group, picked from this Light Opera chorus, appeared in "Inspiration" of Musical Moods. They presented not only light opera music but also songs such as "Stormy Weather" and "A Pretty Girl Is Like a Melody."

"It's 1:15 and time once again to "Know Your High School." This statement was familiar to the listeners of station WHBF on Thursdays at 1:15 when Rock Island High School went on the air. These programs, which numbered 21, where presented from December 3 to May 13. This series featured programs such as the "Faculty Round Table on World Events," the "Forum Club," "Semester in Review" and "Mike Goes Traveling."

The second series of programs, the "Music Department" broadcasts, completed the thirty-program schedule. This series, at 8:15 on Thursday evenings, included music by the A Cappella choir, the Light Opera chorus, soloists and piano and organ selections.

The programs were under the direction of Mr. William G. Rozeboom, faculty director; the student officers were: Bernard Goldman, student director; Neville Yingling, production manager; Robert Brittenham, chief engineer, and Jerry Guske, head typist.

Tucked away in barracks 101 is the Band of Rocky High. Under the command of Mr. G. A. Berchekas, the Band presented their annual fall and spring concerts. They also gave a command performance at the Rotary club and appeared before the personnel of Camp Rocky High.

With a great deal of marching experience behind them, the Band members performed at various football games and thus helped to spur our team on to victory. Helping at the basketball games was the trumpet trio, a new feature on this year's program.

Serving as manager for 1942-43 was Naomi Nelson, who holds the honor of being the first girl manager of the Band.

Several well-known musical groups have appeared throughout the tri-cities this past year. They are the ensembles of Rocky High's Concert Band. Included in these groups are the flute, the clarinet and the French horn quartets and the woodwind quintet, consisting of an oboe, a flute, a clarinet, a French horn and a bassoon.

These groups have become very popular with the surrounding community, and they have, on numerous occasions, played at church meetings, banquets, assemblies and at Band concerts.

Under the able direction of Mr. G. A. Berchekas, the ensembles soared to new heights this year. The woodwind quintet played, among other things, the introduction to Gershwin's "Rhapsody in Blue."

School days are over. . . . And you travel the pathway of life. . . . It will be pleasant to open the pages of your "Watch Tower" and relive the days at Rock Island High School. . . . The friendly folks, your classmates. . . . The romance and dreams of earlier days. . . . May you always enjoy this book.

☆

To the graduating class we extend our best wishes for your success.

The WORLD In Your Own Home

That's a pretty big order, but it's true when you read

THE ARGUS

Things are happening every day—every hour. Victories are being gained by the armed forces in scattered and remote parts of the world. On the home front there is a change in the way of living—sometimes from day to day.

The Argus keeps you in touch with these events and developments — from far away places on the globe — from Washington — from the home territory.

Every day in your home you can assemble the news of these events of such great interest and know what the world is doing—the world on parade.

It's easy to
